Milestone 2 - User Stories

User Stories

- As an adopter, I want to browse pets so I can find the right match.

- As an adopter, I want to filter pets by size and temperament.

- As an adopter, I need to submit a questionnaire to be approved.

- As PAO staff, I want to approve or reject applications.

- As an adopter, I want to be notified when I'm approved.

- As PAO staff, I want to resolve conflicts when multiple users want the same pet.

- As a volunteer, I want to edit pet listings.

- As a first-time user, I want the website to be easy to navigate.

- As an adopter, I want secure login so my data is protected.

- As a user, I want mobile access so I can browse pets on my phone.

- As a manager, I want to view submitted questionnaires in a dashboard.

- As a tech-savvy user, I want quick page loads for a smooth experience.
